Experience

Assistant Production, Short Film - Achhi My Home (FTII)

May 2023

Film and Television Institute of India (FTII)

- Assisted in the production of a short film, coordinating on-set activities and managing props.
- Collaborated with the production team to design and set up visually appealing shoot environments.
- Demonstrated strong organizational and creative problem-solving skills to ensure smooth shooting schedules.

Seminars & Industrial Visits

Naturally Inspiring

Apr 2025

Organized by Woolmark

Mumbai, India

- Explored how wool fiber's inherent properties inspire cutting-edge, sustainable, and performance-oriented textiles.

Garware Technical Textiles - Industrial Visit

March 2025

Organized by VASTRA '25 collaborating with Garware Technical Textiles

Pune, India

- Delved into the advanced and intricate world of technical textiles, exploring specialized sections such as ropes, testing methodologies, high-performance harnesses, and nets—each showcasing innovative solutions for industrial applications.

GTTEs 2025 (Global Textile Technology)

Feb 2025

Organized by India ITME Society

Mumbai, India

- Examined innovative textile machinery and emerging technologies, highlighting their role in advancing modern textile manufacturing and industry trends.

BharatTex '24

Feb 2024

Organized by Ministry of Textiles

New Delhi, India

- As an exhibitor at a premier global textile expo, I showcased VJTI's textile expertise while networking with industry leaders in sustainability, technical textiles, and manufacturing. The experience provided deep insights into yarn-to-fabric production and exposure to groundbreaking textile innovations.

Leadership / Extracurricular

Treasurer, VASTRA '25, VJTI

Mar 2025

Veermata Jijabai Technological Institute - Department of Textile Technology

Mumbai, India

- Organized large-scale technical events for 300+ students nationwide, overseeing budgeting, logistics, and execution under tight constraints—delivering a highly successful and well-received program. Spearheaded a design team to create intricate posters, banners, and branding while ensuring seamless event management.

Event Head, ECELL, VJTI

Spring 2023

Veermata Jijabai Technological Institute

Mumbai, India

- Organized workshops and coding competitions, helping students improve web development skills.
- Led a team to create a web platform for university events, increasing engagement by 25%.

Achievements

- Talent Pool Candidate, Callus International Internship Program.
- Nominated for Smart India Hackathon (SIH) 2024.
